

How to Reset Your Password on the USAID RM Portal

1. Click **LOGIN** <http://rmportal.net/login>
2. Click **If you have forgotten your password, [we can send you a new one.](#)**
3. You will be asked to enter your login (user name)
4. If you have no idea what your user name is (I'm right there with you), click on **Forgot your username? [Look it up based on your email.](#)**
5. Enter your email address and click **Look up my user name.**
6. When your user name is displayed, click **Start password reset.** You will be emailed a link to reset your password.
