# The FCMC Program

## Forest Carbon, Markets and Communities (FCMC) and the US Agency for International Development (USAID)

**USAID**  
FROM THE AMERICAN PEOPLE

- USAID launched the FCMC Program to provide partner governments, local and international stakeholders with assistance in developing and implementing REDD+ initiatives. Thematic areas are: Social and Environmental Soundness; Finance and Carbon Markets; Monitoring, Reporting and Verification; and Low Emissions Development Strategies.
- FCMC services include analysis, evaluation, tools and guidance for program design support, trainings and meeting and workshop development and facilitation that support US Government contributions to international REDD+ architecture.
