

**PRESENTATION GIVEN AT THE TRANSLINKS NATURE,
WEALTH AND POWER WORKSHOP**

QUEZON CITY, PHILIPPINES

JUNE 20 – 21, 2007

HOSTED BY ENTERPRISEWORKS/VITA

This workshop was made possible by the generous support of the American people through the United States Agency for International Development (USAID) under the terms of the TransLinks Cooperative Agreement No.EPP-A-00-06-00014-00 to the Wildlife Conservation Society (WCS). TransLinks is a partnership of WCS, The Earth Institute, Enterprise Works/VITA, Forest Trends and the Land Tenure Center. The contents are the responsibility of the authors and do not necessarily reflect the views of USAID or the United States government.

PROGRAM GOAL

Capable institutions for the political and strategic governance of natural resources

Service providers deliver effectively services to citizens

OBJECTIVES
(direct benefit)

Policies & strategies are conducive and consistent to manage natural resources

Cooperation and communication between LGU, private sector and Nat'l Gov't Agencies sound & viable

Sustainable (technical) solutions for NRM are developed

ISSUES TO BE DEALT WITH

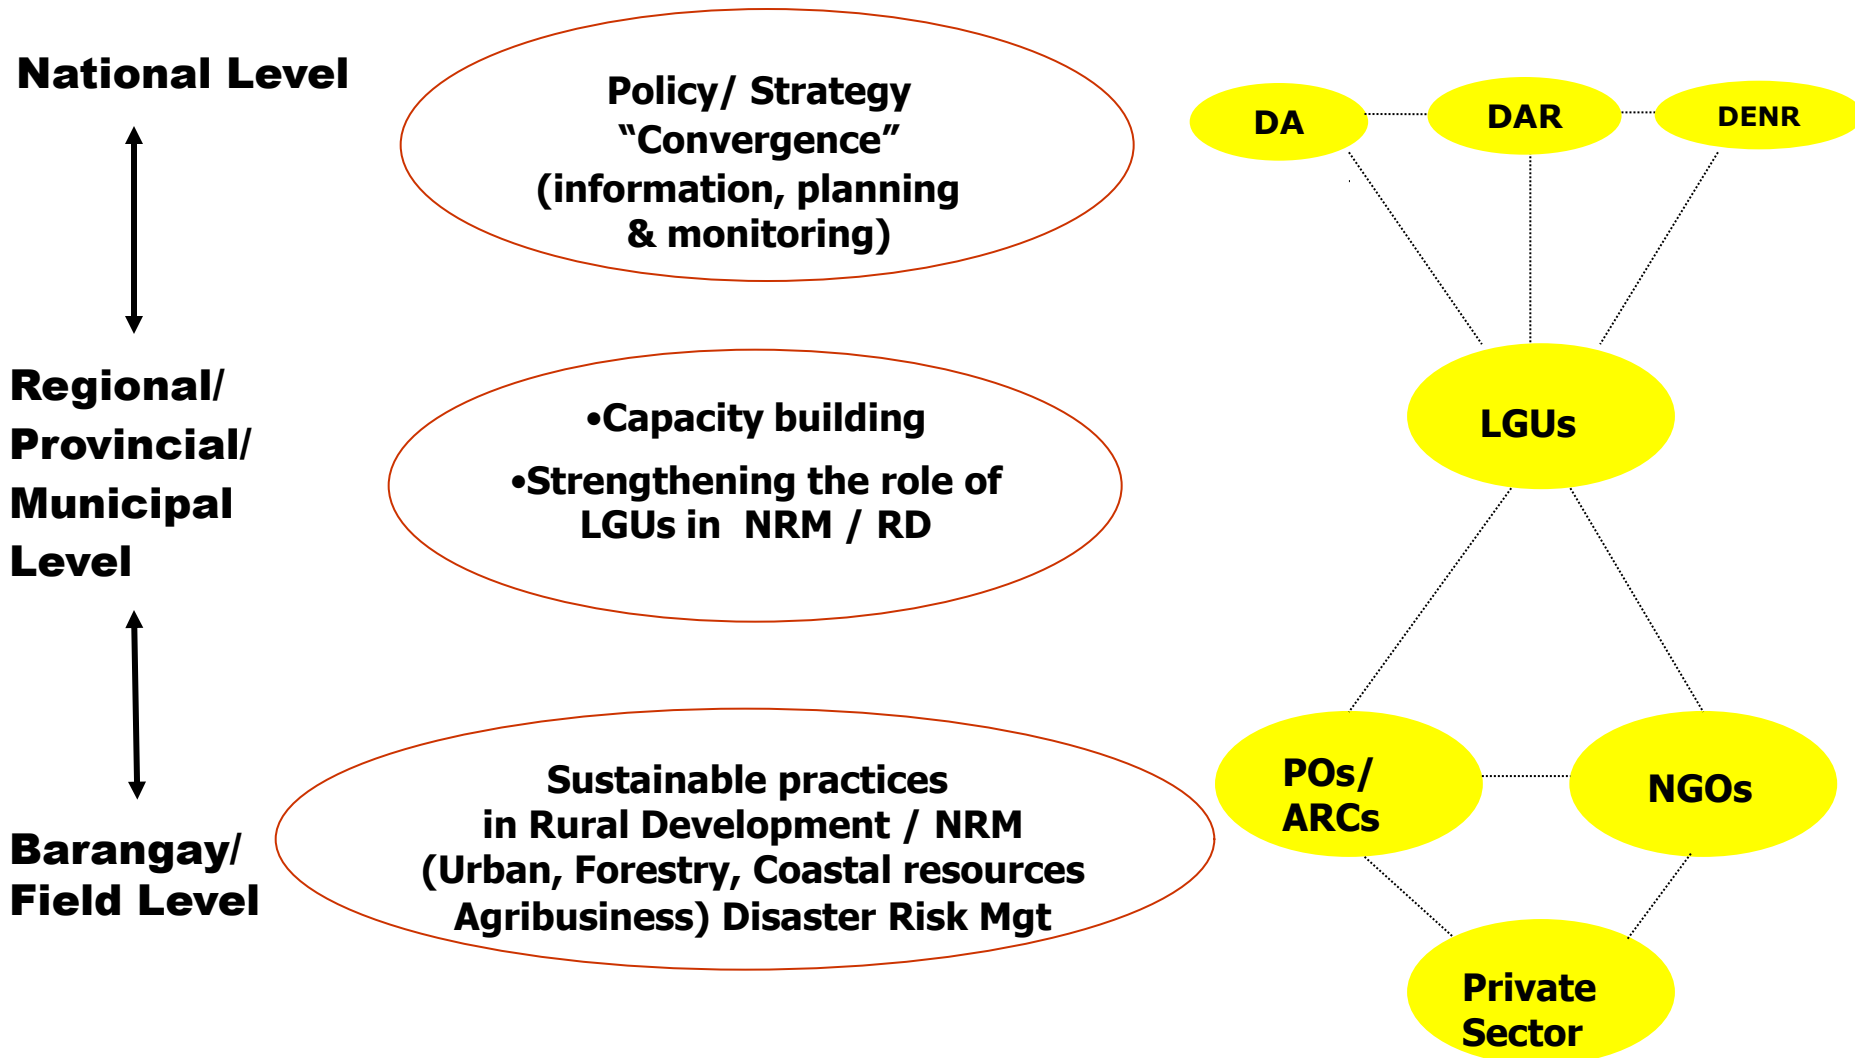

- Rules of the game for public actors/players on national, regional, provincial, local levels
- Performance of duties and taking advantage of rights and privileges

- Clearing responsibilities,
- Managing processes and procedures;
- Develop personnel and institutional capacity

- Manage natural resources through P.O.s, communities, assisted by LGUs, National Government Agencies, NGOs

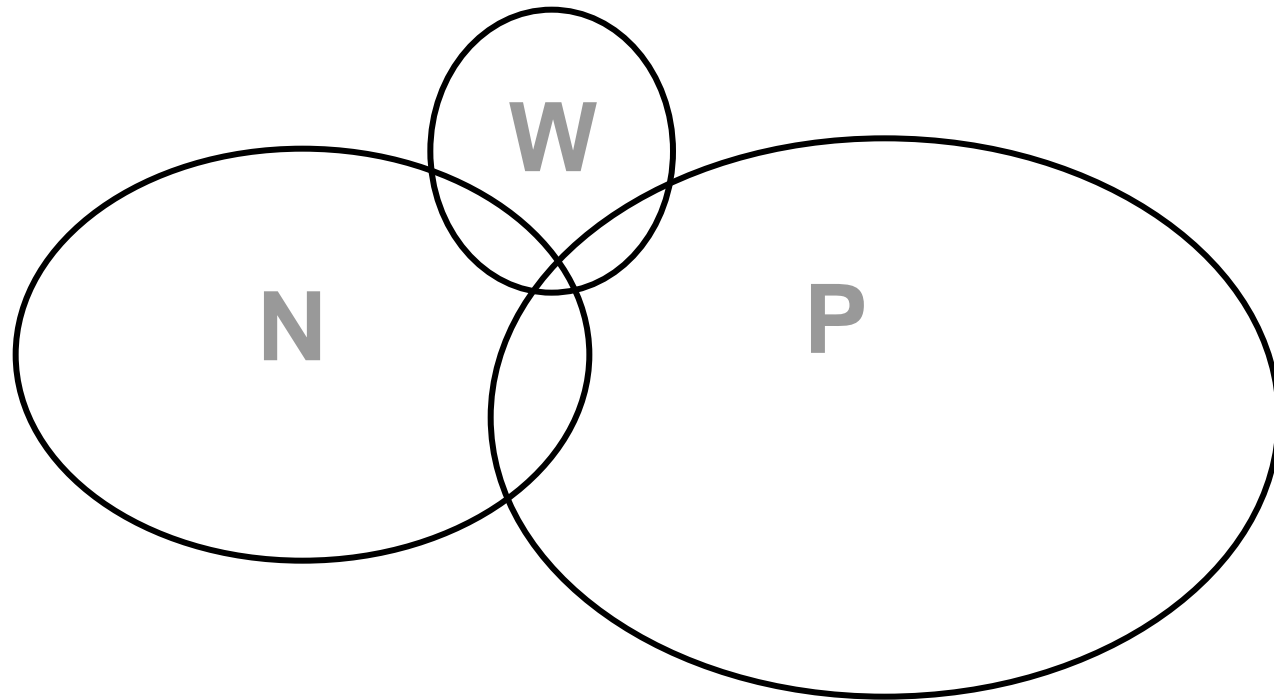

OBJECTIVE: *Service providers deliver effective services to target groups*

How I see our Program now...

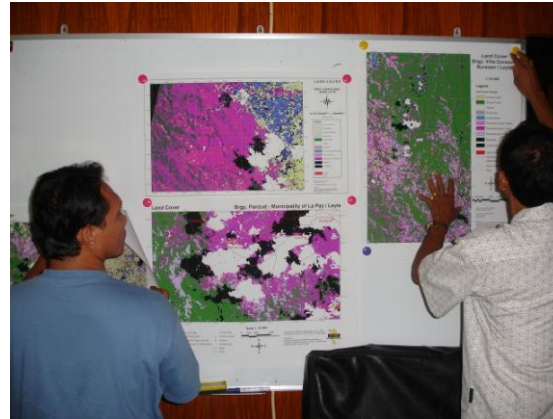

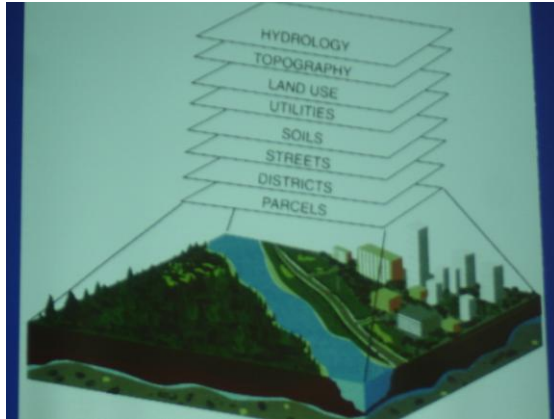

Power

**Capacity building to
enhance environmental
governance**

Nature

**GIS, Satellite Images,
Resource Inventories,
PRA, Land Use Planning**

Wealth

**Small-scale
Livelihood Assistance
Value Chain Analysis
Local and Regional
Economic
Development
Support to One Town,
One Product**

Thank You Very Much!
