FIRST NAME	SURNAME	INSITUTION	COUNTRY	KNOWLEDGE OF PES	INTERESTED TOPICS	PREFERRED WAY OF PRESENTATION	EXPECTATIONS
Jacob	Olander	EcoDecisi/zn	Ecuador	in depth/expert	REDD, watershed services payments, community benefits		
YACOB	WONDIMKUN	USAID	ETHIOPIA				
Joe	Walston	WCS Gabon	Gabon	some knowledge	- Dos and don'ts of developing PES projects - Establishing learning and resource networks - How to engage effectively with industry		
Peter	Minang	World Agroforestry Centre (ICRAF)	KENYA	some knowledge	Reduced Emissions from Deforestation and Degradation (REDD) Opportunities; and Lessons from Pilot Payments for Ecosystem Services in Africa	Participatory, Small workshops	Succint report on the state of PES in Africa
Joyce	Kasyoki	World Agroforestry Centre (ICRAF)	Kenya	some knowledge			
DAVID	NYANTIKA	MINISTRY OF AGRICULTURE	KENYA				
KENNETH	ONDIMU	NEMA	KENYA				
RANTALLA	SALLA	ICRAF	KENYA				
BRENT	SWALLOW	ICRAF (World Agroforestry Centre)	KENYA				
Thomas	Yatich	World Agroforestry Centre (ICRAF)	Kenya	in depth/expert	REDD and also to learn lessons from other PES innovators on tools, methodologies, approaches for the design and implementation for transfer schemes for environmental services	In depth coverage but practical enough to enable repplication	Practical and implementatable PES roadmap for the region
Vanessa	Meadu	ICRAF (World Agroforestry Centre)	Kenya	some knowledge	How to best facilitate a network on PES?	interactive, small group work, opportunity to engage with other participants and presenters, creative	A strengthened understanding of the types of PES schemes in East/Southern Africa, and the challenges and opportunities they face. I also look forward to meeting face to face with the practitioners and prospective buyers and sellers to learn about their stories.
Rohit	Jindal	ICRAF, and Michigan State Univ	KENYA	in depth/expert			
Lanto	Andriamampianina	Wildlife Conservation Society	Madagascar	in depth/expert			
JEAN ROGER	RAKOTOARIJAONA	ONE	MADAGASCAR				
Joseph Ernest	RAKOTOLAHY	WWF	Madagascar	some knowledge			
LIVA	RAMIANDRARIVO	MINISTRY OF ENVIRONMENT	Madagascar				
Erik	Reed	WWF-Madagascar	Madagascar	some knowledge	Particularly interested in Watershed based PES, how to effectively make the markets work, approaches to community related PES (for example cases of communities "paying" communities), services related to watersheds or biodiversity		Better understanding of different methods for implementing PES, new ideas about services (that perhaps I am not aware of) or new ways to market them. An understanding of how best to ensure benefits for communities and set up mechanisms for effective payment transfer.
Nyuma	Mughogho	Department of Forestry	Malawi	some knowledge			
Bagie	Sherchand	COMPASS II/USAID	Malawi	some knowledge	Opportunities within the REDD framework		

Asukile R.	KAJUNI	USAID	Tanzania	basic	Identification of Services; Basis and market analyses for payments	Case Studies	Clear Understanding of types of payments and Sources of data for quantification of Environmental services
Aichi	Kitalyi	World Agroforestry Centre	Tanzania	some knowledge	Latest developments in PES - globally, tools for selection of best bet practices for good stewardship of ecosystem services; REDD - the perception of the regional governments and sub-regional organisations	Participatory techniques and use of Case studies	new networks and better understanding of PES and REDD concepts
Charles	Lyamchai	Selian Agric. Research Institute	Tanzania	some knowledge	1) How is carbon markets related to agricultural activities? 2) How can the resource-poor communities be sensitized to fully participate in carbon markets	Group works, key note speakers, come up with future action plan at the end of the meeting	1) knowledge on carbon markets imparted to participants 2)Organizers gain insights of the existing knowledge gap on carbon markets at different levels 3)Action plan worked out at the end of the meeting
Gerson	Nyadzi	Millennium Villages Project	Tanzania	none	How the community preserving the natural miombo woodlands can be motivated by PES	Both lectures and working groups & planneries	Systematic implementation of PES at different ecosystems and at different scales known
JUMA	WICKAMA	AFRICA HIGHLANGS INITIATIVE	TANZANIA				
ANNAH	AGASHA	Nature Harness Initiatives	UGANDA	some knowledge	REDD, WATERSHED PES, VOLUNTARY CARBON MARKETS, BUYER ANGAGEMENT	PRESENTATION FOLLOWED BY DISCUSSION	CLEAR STRUCTURE OF PES ACTIVITES IMPLEMETATION DRAWN
Kairu	Gerald Isiko	ECOTRUST	Uganda	in depth/expert	Are rural communities benefiting from the PES (paying farmers for ecosystem services); Emerging Markets of PES; Policy issues with respect to PES.	slide presentations followed by discussions; Postas; group work	Whether ecosystem services are ably addressing landscape-level management across ownership boundaries; Determine if landowners are getting a fair share of the credit for increased carbon sequestration resulting from PES afforestation programs and availability of markets for the PES.
Alastair	McNeilage	Wildlife Conservation Society	Uganda	basic	Successful examples of PES mechanisms actually in place and functioning.	No particular desires.	Come away with better understanding of how to actually get PES to work.
David	Siriri	UNDP-Millennium Villages Project	Uganda	some knowledge	Recent functional carbon and water PES experiences in the region Who are the buyers and how do we get their commitment? How do we get PES effectively rooted and functional at a greater scale than is today? What mechanisms, institutions, linkages etc do we need?		Practical action plans on how to move PES forward and how Katoomba group can facilitate potential PES projects
ALICE	RUHWEZA	ESA KG	UGANDA				

KATHERINE	HAMILTON	FOREST TRENDS	USA			
MICHAEL	JENKINS	FOREST TRENDS	USA			
DAN	NEES	FOREST TRENDS CHESAPEAKE F	USA			
Christina	Swan	Forest Trends	USA	some knowledge		
Vicki	Tsilopoulos	EnterpriseWorks/VITA	USA	some knowledge		
SIEX	KIRSTIN	WCS	ZANZIBAR
