

Presentation given at the Katoomba XV Meeting entitled

Integrated Solutions: Water, Biodiversity and Terrestrial Carbon in West Africa

October 6-10, 2009

Accra, Ghana

Hosted by:

The Katoomba Group, Forest Trends,
and the Nature Conservation Research Center

This workshop was made possible by the generous support of the American people through the United States Agency for International Development (USAID), under the terms of the TransLinks Cooperative Agreement No.EPP-A-00-06-00014-00 to the Wildlife Conservation Society (WCS). TransLinks is a partnership of WCS, The Earth Institute, Enterprise Works/VITA, Forest Trends and the Land Tenure Center. The contents are the responsibility of the authors and do not necessarily reflect the views of USAID or the United States government.
