

Bear Calendar, Wildlife Friendly Enterprises

This is a jpeg of a wall calendar that was distributed to the community of Colepato in the Land Tenure Center (LTC)'s study site in Ecuador, and other local community members in the region. The lead designer and disseminator is an LTC collaborator Fundacion Cordillera Tropical (FCT).

The idea behind the calendar is to (a) renew enthusiasm for wildlife conservation among private landowners, and (b) reinforce the idea that research brings benefits to them and communicates their land stewardship to others.

Catherine Schloegel, Adrian Treves, Taylor Jones and Fundacion Cordillera Tropical (FCT) team
